

What Could It Be?

- Objectives: ... analyze characters, including their traits, feelings, relationships, and changes
... recognize the story problem(s) or plot
... practice answering different kinds of questions
... recognize the difference between fact and fantasy

Here are some shadows that you might see outside at night. If you were scared, what might you imagine them to be? In each box below, draw a scary picture of what your fear it might make you see.
